Dear Tom:

Subject: Offer of Private
Transmitting Facility

This is in answer to your 24 February 1959 memo,
with attachments, regarding [REDACTED] use of your trans-
mitting facilities.

I wish to thank you for the kind offer of your
facilities. However, after a careful and lengthy
study of the many aspects of such use of private
facilities, we conclude that we cannot, barring unfor-
seen circumstances, avail ourselves of your offer.
This would also apply to any other offer involving
privately owned facilities.

[REDACTED] hopes to accomplish a regular arrangement
through government facilities at some time in the
future.

Sincerely,

25X1A9a

Chief, [REDACTED]
